# What does the Bible say regarding leadership?

## God is our Father

No matter what character we have,  
No matter what we can/cannot do,  
No matter how much/little we have,  
No matter what know, or  
whoever we are,  
We are leaders because our father is God

## Jesus ordered us “Go and make disciples”

Making disciples means He is telling us that we  
should be the leader of the world.  
Go!!! Where?  
Anywhere God leads us, to other countries, to  
people of different cultures, languages, or religions.  
Understand other cultures and be a global leader.
