About Life of Bonhoeffer

선한 능력으로 (Von guten Maechten)

"By gracious powers"

By gracious powers so wonderfully sheltered,
and confidently waiting come what may,
we know that God is with us night and morning,
and never fails to greet us each new day.

Yet is this heart by its old foe tormented,
still evil days bring burdens hard to bear;
Oh, give our frightened souls the sure salvation
for which, O Lord, You taught us to prepare.

And when this cup You give is filled to brimming
with bitter suffering, hard to understand,
we take it thankfully and without trembling,
out of so good and so beloved a hand.

Yet when again in this same world You give us
the joy we had, the brightness of Your Sun,
we shall remember all the days we lived through,
and our whole life shall then be Yours alone.

The ordeal. No man in the whole world can change the truth. One can only look for the truth, find it and serve it. The truth is in all places.

BonHoeffers Aim

Bonhoeffer was a man who simply wanted to do the will of God.

He wanted to know what God called him to do.

As long as you are trying to obey Him, even if you make mistakes, it's okay.

**He was all about action.
The difference with action and inactions was simply to do with faith.**
